182A Brooks Point Road, Rideau Lakes, ON

Lakefront retreat on beautiful Opinicon Lake!

This property is located at the end of a private lane and includes a 4-season cottage or home, a 2-car detached garage and an additional building that could be used as a storage shed or bunkie. The lot is 1.5 acres in size and offers a private setting with elevated westerly views over the lake – perfect for enjoying sunsets! The house has been nicely updated and features 1 bedroom on the main level and 3 bedrooms on the lower level as well as a full bathroom on each level. The main level also has cathedral ceilings, a gorgeous wood burning fireplace and a large deck. The main area is open and bright with large windows bringing in the sunshine. In addition to the bedrooms and bathroom on the lower level, there is also a family room, utility room and walkout basement. The home is serviced by a drilled well and septic system and heated with a propane furnace as well as the woodstove.

Listing Description

Lakefront retreat on beautiful Opinicon Lake!

This property is located at the end of a private lane and includes a 4-season cottage or home, a 2-car detached garage and an additional building that could be used as a storage shed or bunkie.

The lot is 1.5 acres in size and offers a private setting with elevated westerly views over the lake – perfect for enjoying sunsets!

The house has been nicely updated and features 1 bedroom on the main level and 3 bedrooms on the lower level as well as a full bathroom on each level. The main level also has cathedral ceilings, a gorgeous wood burning fireplace and a large deck. The main area is open and bright with large windows bringing in the sunshine. In addition to the bedrooms and bathroom on the lower level, there is also a family room, utility room and walkout basement.

The home is serviced by a drilled well and septic system and heated with a propane furnace as well as the woodstove.

Opinicon Lake is part of the historic Rideau Canal System and offers great boating, swimming and fishing opportunities. The lake also is home to Queen's University Biological Station, James H. Fullard Nature Reserve and The Opinicon Resort.

This is a fantastic opportunity to own a waterfront property on the Rideau System!

Comments:

THE SEPTIC BED IS LOCATED WITHIN 1M OF THE DROP OFF BUT NOT THE PROPERTY LINE. AT THE TIME OF THE INSPECTION AFTER RUNNING THE FLOW TEST IN THE BED NO BREAKOUT WAS NOTICED SO THIS IS NOT EFFECTING THE OPERATION OF THE WEEPING BED.

THERE ARE SOME SMALL TREES PLANTED ON THE EDGE OF THE WEEPING BED BUT AT THE TIME OF THE INSPECTION ARE NOT HAVE AN EFFECT ON THE WEEPING BED.

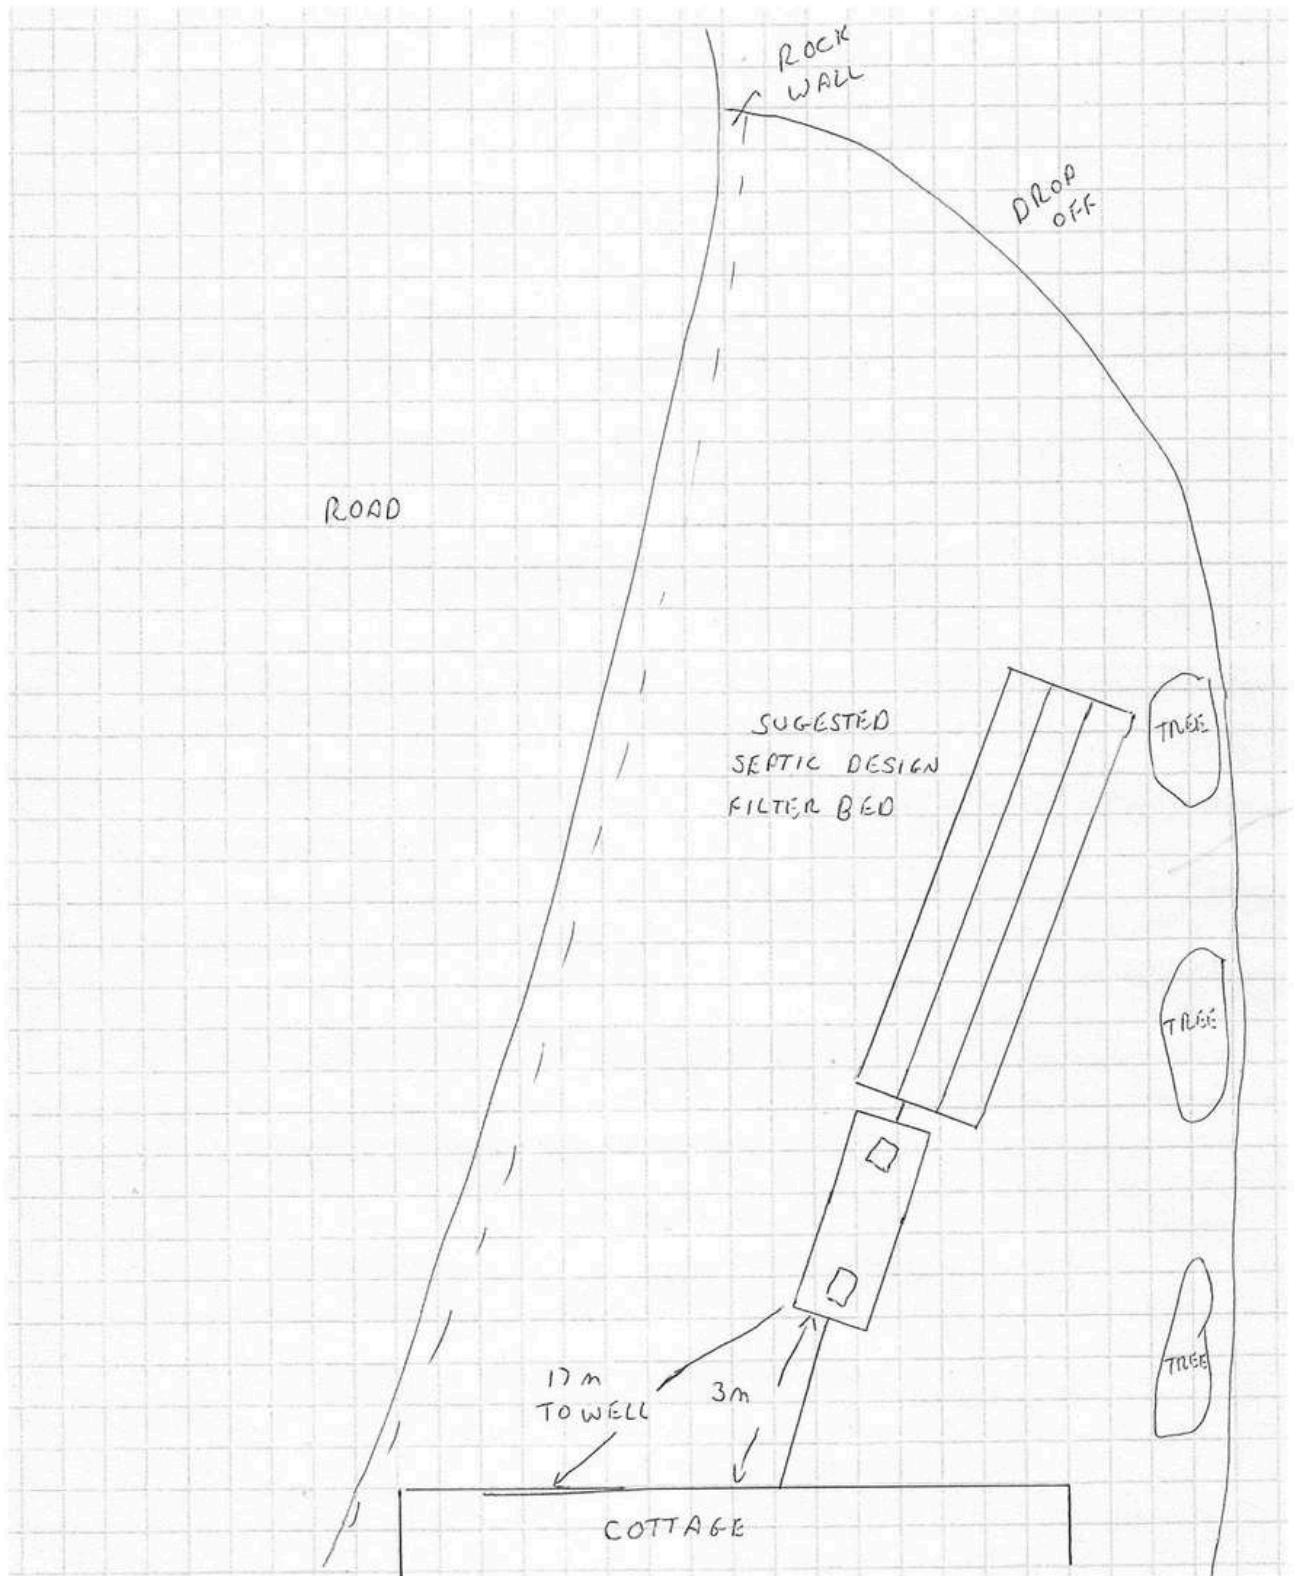

BOTH THE TANK AND THE WEEPING BED HAD NO PROBLEMS AT THE TIME OF THE INSPECTION.

Recommendations:

THE SEPTIC TANK HAS AN EFFLUENT FILTER IN THE OUTFLOW BAFFLE OF THE TANK. THIS FILTER WILL NEED TO BE CLEANED ONCE A YEAR TO ENSURE THAT IT DOES NOT CLOG UP AND CAUSE A BACK-UP INTO THE COTTAGE.

YOU MAY WANT TO INSTALL RISERS ONTO THE TANK SO YOU DO NOT HAVE TO DIG UP THE TANK EVERY YEAR TO CLEAN THE FILTER.
