**Client Remks:** Beautiful waterfront home or cottage on the Rideau System on a private, 300ft lakefront lot! This property offers panoramic views over Loon Lake with easterly exposure offering wonderful sunrises over the water. The home features four bedrooms, two full baths, a centrally located kitchen, a large living and dining room area with direct access to a large wrap-around deck, plus a cozy family room with access to the south facing deck. The high-efficiency wood stove in the living room gives plenty of heat but there is also a forced air electric furnace in place. The views over the lake are absolutely stunning and there is easy access down to the waterfront. The house is serviced by a septic system and a lake water system and it sits on a crawl space that offers great storage space. There are a few stairs down from the parking area to the house but once there, it is not far to the water. The 300 foot waterfront has some sandy and shallow areas as well as deep, rocky areas. There is also a wet boathouse that is in need of some renovations but is a wonderful addition to the property. Loon Lake is a naturalist's paradise with loons, trumpeter swans, osprey, etc. It offers swimming, and also great boating opportunities to explore the entire
