**Client Remks:** Affordable cottage located on a quiet and peaceful lake just north of the Village of Westport. This 3-season cottage is located on Crosby Lake and sits slightly elevated along the north shore with deep, clean shoreline - perfect for swimming, fishing and boating. This property and cottage have been maintained with pride by the original owners and is now ready for a new family to make memories at the lake. The floor plan is bright and open and unique with the kitchen, dining area and living room all connected with access to a small deck. There is a full 3-pc bathroom and a sun room that is connected to the bunk room. The sun room and bunk area is the original section of the cottage that originally was used with the two bunk beds, a small food preparation area/kitchen, dining area and an older wood stove. The cottage is serviced by a lake water system and full septic system and is accessed off of a private lane. The site gives nice privacy and has some steps down to the waterfront. Crosby Lake is a medium sized lake with no public access so that only landowners on the lake enjoy all the lake has to offer. Great bass and pickerel fishing can be found on this beautiful lake as well as a variety of other pan fish. Located just 20 minutes north of Westport for dining, shopping, golf courses and other recreational opportunities. Well located to plan day trips in the Rideau Lakes area or to travel to larger towns such as Perth, Kingston or Ottawa. The cottage is being sold fully furnished and ready for cottage life!
