This home has been lovingly maintained and is impressive from the moment you see the property. The house sits close to the water with stunning southerly views across the largest part of the lake. Imagine enjoying nightly sunsets over the lake while relaxing on your expansive deck. The main floor of the home has a large foyer, a full bathroom with a whirlpool tub, one bedroom and an open kitchen/dining area with a patio door that leads to the wrap around deck. The living room on this level looks like it could be in a magazine with a wall-to-wall built-in bookcase, cabinets, and a propane fireplace. This room has soaring cathedral ceilings with exposed beam accents and large windows at both ends as well as direct access to the side deck.
