Features

Exceptional Waterfront Property on Long Lake

- The property includes a main home, a cottage, bunkie and a garage.
- **The Main Home:** The main home features a bright, open-concept main floor ideal for entertaining family and friends. The well-appointed kitchen boasts ample storage, a large island, and elegant stone countertops. The inviting living room is perfect for relaxing - cozy up by the wood stove or step out onto the expansive, private wraparound deck. Also on the main floor are two bedrooms, a 4-piece bathroom complete with a jacuzzi tub, a laundry area, and a pantry-all finished with impressive attention to detail throughout. Upstairs, you will find the spacious primary bedroom along with a stunning 4-piece ensuite bathroom.
- **Systems & Utilities:** The home is serviced by a drilled well and septic system and is equipped with a backup, on-demand generator.
- **The Guest Cottage:** For additional space and flexibility, the property includes a fully separate guest cottage. This charming retreat offers a bedroom, sitting area, full bathroom, and an upper level with cabinetry, a kitchen sink, and access to a large deck overlooking the lake. This cottage is heated with a forced air propane furnace plus a woodstove and is serviced by the drilled well and septic system - all set for year-round use.
- **The Bunkie & Garage:** The property also features a bunkie for extra guests, complete with a 2-piece bathroom and conveniently located along the path to the oversized two-car detached garage. The garage includes an unfinished loft that could be transformed into a games room or continue to serve as valuable storage space.
- **The Waterfront & Outdoor Living:** Outdoors, enjoy the best of lakeside living with a dock on the north end of the shoreline and a sandy, level access area on the south end-perfect for swimming and relaxing. Adding even more charm is the lakeside gazebo, which offers a bug-free, peaceful space to unwind and take in the surroundings.
- **Thoughtfully Designed & Meticulously Maintained:** This remarkable property has been thoughtfully designed and meticulously maintained, with no expense spared.

Directions

- Long Lake Road to Public Beach Road, stay right and follow signs.

PROPERTY UPDATES & IMPROVEMENTS

Kitchen & Interior

The kitchen was fully renovated in 2011, with a 2025 Samsung dual oven stove recently added. A water softener system was installed in 2011, and a custom glass tub surround was added in 2019. The master ensuite was fully renovated in 2023. In 2024, a third bedroom and pantry addition were built using ICF construction, wired for an electric vehicle charger.

Heating & Mechanical

The home is heated by a 2022 Fujitsu heat pump system with three heads. A 2024 single-head heat pump serves the third bedroom. The propane boiler system was installed in 2014 and is located in a dedicated utility room added the same year. Propane is supplied by LeVac Propane. The crawl space walls, as well as the studio crawl space, were spray foamed in 2015.

Utilities

Electrical service was upgraded to 200 amps in 2020. Internet is provided by North Frontenac Telephone Company (613-279-2193). Both the house and studio wood stoves hold a 2019 W.E.T.T. certification.

A drilled well was installed in 2006 (310 feet deep, 3.61 GPM). A new septic system was installed in 2021, with final inspection completed December 2021.

Outbuildings

The gazebo (16 ft) and bunkie (14x10 ft) were both built in 2005 and received a new red steel roof in 2016 along with the main house. The bunkie is equipped with a composting toilet. The detached garage (32x24 ft with finished upper level) was built in 2010, offering 768 sq ft of usable space plus loft storage. The studio was added in 2009. The hot tub is a 2020 model; 44-jet, 6-person, with LED lighting and Bluetooth audio.

Auxiliary Residence (Studio/Cottage)

The auxiliary residence is heated by a propane forced-air furnace with electric hot water and 125-amp service. The main level includes a living room with hardwood floors, a wood stove, and walkout to deck, plus a 3-piece bathroom. The upper level features vinyl plank flooring, a kitchen area, and a small flex room that could serve as an additional bedroom, with access to a deck overlooking the lake.

Hearth.

The installation of stove and connector pipe meet or exceed manufacturers specifications and by extension B365 and the Ontario Building Code.

Compliance YES

Any further inquiries may be addressed to me at the above contact numbers.

Andrew Tietzen

This report is the result of a general visual inspection to determine compliance with C.S.A. B365/01. The inspection is non destructive and does not include inaccessible places or attics. Any recommendations are based on apparent and obvious conditions found as of this date. The report is intended only as a record of this inspection and no warranty of safety or function is implied since deterioration and use are beyond my control.
