Rideau Valley Hearth & Home assumes no responsibility for the safety & code compliance of any system areas that are not clearly visible based on a visual inspection. Any system that is seen to be in violation of B-365 or manufacturers installation instructions can not be cleaned by Rideau Valley Hearth & Home and must be taken out of use by customer until appliance is brought up to code. A written deficiency letter is available from Rideau Valley Hearth & Home outlining work that must be done at a cost of \$95.00.

Payment is due immediately on completion.

To whom it may concern:

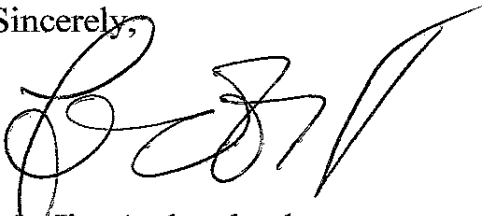

Re: Level I - Visual Inspection - Valerie and James Judd

In May 2026, Rideau Valley Hearth and Home Limited visually inspected a Regency I2100M fireplace insert with a Stainless Steel Liner in a Masonry chimney at 58 Lower Lake Lane, South Frontenac, Ontario for the above customer.

Based on a Level 1 visual inspection the appliance and venting appears in good visual condition and to code.

If you have any questions or concerns, please do not hesitate to contact me at the above number.

Sincerely,

A handwritten signature in black ink, appearing to read 'Jim Archambault', with a long, sweeping flourish extending to the right.

Mr. Jim Archambault
